# THE BENSON GOLF CLUB...

## A STRONG HISTORY

In 1925 the City of Benson opened the Benson Golf Club. The original 9-hole course was expanded in 1979 as an 18 hole course. The original clubhouse was enlarged in 1971 to accommodate weddings, class reunions, business meetings and dances.

Over the years, the clubhouse and the course have changed, but the original intent has remained the same - bringing together family and friends to enjoy the game of golf, the beautiful outdoors and each other's company.

## ON THE COURSE

The Benson Golf Club is one of the finest and most complete golf facilities in the area. Our 18-hole layout offers a challenging, yet fair, test of golf for all levels.

Some of the many challenges you face are...

- ‡ The Chippewa River
- ‡ Trees line the fairways
- ‡ Greens are smooth and rolling
- ‡ 26 sand bunkers
- ‡ 10 holes with water hazards

The practice facility has a large driving range, a well-maintained putting green, and just a few yards away, you will find one of the best short game practice areas anywhere.

## OUT TO LUNCH

The bar and grill is a great place to grab a quick bite to eat before or after a round of golf. Stop in during the workday or on the weekend and have lunch or dinner with friends, family or co-workers.

Our sun room seats 20-30 people, and is the perfect place to hold a small meeting, have dinner or play cards with friends. Windows surround you on three sides giving you a great view of the 9th green and 10th tee.

## SPECIAL OCCASIONS

When you want everything to be perfect for that special occasion, why not let the experts at the Benson Golf Club make it happen. We have a beautiful banquet facility. No matter what the occasion, we will make your experience as pleasurable and hassle free as possible.

The Benson Golf Club is available for weddings, groom dinners, class reunions, corporate functions, birthdays, or any type of party you are looking for. We can seat up to 250 people at the club. There is a dance floor, a separate full service bar, and a beautiful stone wood burning fireplace for your enjoyment.
